Membership Secretary's Report - Liz Smith

Membership of Wollaton u3a has continued to stand at just over 200. Currently, we have 206 members, made up of 133 individual members, 48 joint members and 25 associates. Last autumn, we found that 21 people did not renew their membership but since then we have had a steady trickle of applications over the year.

Many of the new members have joined via personal recommendations which is good. Please carry on bringing along your friends and neighbours too and you can tell them first hand what an enjoyable time they will have.

We are pleased that the new online application form has proved to be popular with new members. We are always looking at ways of making applications and renewals more streamlined.

I've enjoyed my first year as membership secretary as it's been nice to meet the wide group of people in Wollaton u3a and I've been very grateful for the continuing support of Ann, our previous membership secretary.
